

Get your chance

Eisenmann Environmental Technology is a leading company in the field of environmental technology and offers innovative, resource-friendly turnkey solutions worldwide, which are adapted to the individual requirements of our customers. The wide product range includes plants for exhaust air treatment and heat recovery, water purification and water treatment, waste disposal and recycling of valuable material as well as plants for ammunition disposal. Eisenmann Environmental Technology GmbH is a member of Deurotech Group GmbH. We are expanding and for our headquarters in Böblingen we are looking as soon as possible:

Sales Manager / Technical Back Office Sales (m/f/o) After Sales Service / Environmental Technology

Your tasks

- Active preparation and negotiation of service, maintenance and spare parts quotations
- Confirmation of orders, invoicing and invoice tracking
- Handling of extensive spare parts packages
- Planning and coordination of service calls with internal and external personnel
- Management of the existing customer and supplier base and development of a new one
- Contact person (m/f/o) for our national and international customers as well as internal departments

Your profile

- Technical or commercial training
- Professional experience in a comparable position in the engineering industry is an advantage
- Good command of German and English, both written and spoken
- Confident handling of the common MS Office programs
- Knowledge of a common ERP system, ideally SAP/R3
- Strong communication skills, initiative and organizational talent

We offer

- A secure job with long-term perspectives in a future-oriented industry
- 13th monthly salary and holiday pay as well as an above-average number of leave days (30 days)
- Occupational pension
- Flexible working times with flextime system and overtime pay
- Individual internal and external education opportunities
- Varied challenges and comprehensive adjustment to your new job in the team
